# INVITATION LETTER

The 3rd International Conference on Computer Science and Mechatronics will take place on February 27-29, 2025 in Shanghai, China. ICCSM 2025 will provide an insight into the unique world stemming from the interaction between the fields of computer science and mechatronics. ICCSM 2025 focuses on high quality presentations and papers that address contemporary issues on fundamental research leading to new methods, or adaptation of existing methods for new applications related to the topics of computer technology and mechatronics. It will feature keynote speeches given by renowned scholars, and oral/poster presentations with broad coverage and popular topics. Accepted papers will be included in the ICCSM 2025 Conference Proceedings, which will be subject to independent peer-review procedures for quality.

## Conference Date and Venue
